

BIBLIOGRAPHY OF DIALOGUE BETWEEN ORTHODOX CHRISTIANS AND JEWS

BY REV. PETRA HELDT

In compiling this bibliography, the books of George C. Papademetriou (1990) and Thomas Kratzert (1994) were particularly helpful. Both contain detailed reviews of various bibliographical items. A considerable number of items were kindly supplied by Prof. Jean Halpérin and Mr. Gary Vachicouras. See also the contributions of Rev. Prof. Borovoy, Prof. Halpérin and Rev. Prof. Stylianopoulos in this volume for the bibliographical items cited and discussed there.

Considerable effort was made to verify the bibliographical details. In some cases, however, this was impossible due to inaccessibility of the items concerned. The selection of items by David Flusser focuses on his contributions to the study of the connections between Christian liturgy and Judaism. A full bibliography of his writings was published in *Immanuel* 24/25, entitled *The New Testament and Christian-Jewish Dialogue: Studies in Honor of David Flusser*.

The titles of the following journals and series are abbreviated: World Council of Churches Consultation on the Church and the Jewish People (CCJP), *Greek Orthodox Theological Review* (GOTR), *Journal of Ecumenical Studies* (JES), *Saint Vladimir's Seminary Quarterly* (SVSQ), *Saint Vladimir's Theological Quarterly* (SVTQ). Note that *Episkepsis* is the bulletin of the Orthodox Center of the Ecumenical Patriarchate in Chambésy, Geneva.
